50773

Facility ID# (if known)

PERMIT NO. W204742

ATTACHMENT A

SPECIAL CONDITIONS

1. **Pittsfield Generating Company, L.P.** located at **235 Merrill Road, Pittsfield Massachusetts** (the “permittee”) is authorized to discharge pretreated industrial wastewater to the City of Pittsfield sewer system.
2. This Permit expires five (5) years from the date of issuance. The permittee shall apply for a renewal of this Permit at least 90 days prior to the expiration date in accordance with 314 CMR 7.09 (3)(b)
3. This Permit is subject to obtaining approval of any other applicable federal, state or local authority that may have jurisdiction.
4. The permittee shall comply with the City of Pittsfield Pretreatment Program, Local Limits and Sewer Use Regulations.
5. Concentrated chemicals and hazardous materials/wastes are prohibited from being discharged to the sewer.
6. No person owning, maintaining or using a sewer connection shall discharge or allow the discharge of wastewater through such connection which would result in a hazard to the public health or safety or a violation of the provisions of 314 CMR 7.00 or 12.00.
